For All Skin Types

For a firmer, visibly younger-looking appearance, this facial is a welcome change to reverse the signs of fatigue, wrinkles and fine lines. The therapist will use a firming technique on your face followed by a cream facial mask with skin-tightening effects to pump up the volume to achieve absolute radiance.

**Purification**

For Oily Skin Types

This revitalising facial treatment helps to regulate sebum production and absorb excess facial oil generated by over-active sebum glands. The skin is remineralised and rebalanced, revealing a fresh and shine-free face.
